LIKELIHOOD DETECTION

SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Commissioner for Patents
P. O. Box 1450
Alexandria, VA 22313-1450

Sir:

On April 30, 2004, the Applicants filed an Information Disclosure Statement, supplying a copy of Japanese Patent No. 3318937 ("JP 5-128742"). It appears, however, due to an oversight, that a statement of relevance for the reference (or an English Abstract) was not provided to the Office. To address this deficiency, and so that the reference may be considered and be listed on the face of the patent issuing from this application, the applicant provides the following statement of relevance.

For JP 5-128742, the Applicant attaches a copy of the English Abstract. The Applicant relies on the English Abstract to provide a statement of relevance for the document.

Although a copy of JP 5-128742 was previously submitted, a copy is provided herewith.

Since this Supplemental Information Disclosure Statement is being filed before issuance of a first Office Action on the merits, no fee is due.

Respectfully Submitted,

A handwritten signature in black ink, appearing to read 'Jeffrey D. Karceski', is enclosed within a large, hand-drawn oval.
